

HEAVERS FARM

Caring, Learning, Aspiring, Succeeding

Black History

This half-term our whole school theme is Black History.

We will be celebrating the rich heritage of our diverse school community.

There will be workshops and assemblies provided by BigFoot, our school drama providers.

There will be an opportunity in December to come and see the work around school for this focus.

School Photos

It's that time of year again, next month will be individual and sibling photos. Please make sure, just like everyday, that your child is in full uniform. Please be aware that large hair accessories will be removed in line with our uniform policy.

Class Assemblies

We are introducing termly assemblies for pupils to share with their families what they have been learning in class. The first one will be Year 6 on Monday 15th October. The others will be after half-term.

Welcome Back!

We would like to welcome all our returning pupils and families, as well as all of our new joiners. We are looking forward to a successful year. This term we are:

1. Setting up a PTA to enable the school to raise funds and make more use of our facilities to engage with families more.
2. Make better use of our school and year group blogs to communicate what is happening in class. Please sign up to these blogs to receive updates.
3. Members of the school's leadership team will be at both entrances to the school at the start and end of the school day. Please speak to them about any concerns or things you think we are doing well.

Dairy Dates

Half Term (School closed to children.)
- Friday 21st
PTA AGM (3:30pm)

November

- Monday 5th - Friday 9th
Anti-Bullying workshops.

Football Match against St Cyprian's.

The football season has got off to an exciting start. While the first match was not a great success for us, we lost 5-1, we saw some great skill.

Daniel Ekpenyong won "Player of the Match", he saved lots more goals than went in. His skill impressed both teams. Malik Thomas was runner up "Player of the Match", who scored our goal.

It's early in the season and Team Coaches, Attie and Mr Samuels, are already working on a training schedule and are determined that we will harness our teams natural talent to do even better in the future.

Lunchtime Gardening Club

This term we are continuing with a lunchtime club for children to learn gardening skills. We have a large plot near the Tension Road entrance, which is part of a long-term project to teach children about where food comes from.

Children can sign up for this each day at morning break time by visiting the leadership room.

We would welcome any donations of seeds or healthy plants or child-friendly gardening tools. These can be given to Miss Evans or left at the school office.
